

When the heavy debris is out of the way we join your team to clean the areas others miss. Whether it is deep cleaning surfaces or following floor edges to catch the smallest debris in cracks, when we are finished you will see a marked difference in the way your structure appears and it will be tenant ready.

We offer a top to bottom detailed cleaning for your construction cleaning needs to include:

Light Fixtures

Doors, frames, and hardware

Blinds

Windows & Sills

Millwork (inside and out)

Stripping and Waxing VCT

Carpet Vacuuming

Switch & Receptacle Covers
